# FALCONS MEET MAC-FAVORITE C. MICHIGAN AT PERRY FIELD

The Mid-American Conference's best two teams of the 1980s collide this afternoon in an important league contest at Doyt L. Perry Field.

Coach Moe Ankney's Bowling Green Falcons (0-2 overall, 0-1 MAC) and Coach Herb Deromedi's Central Michigan Chippewas are both looking for their first wins of the '89 season.

BG dropped a 28-3 decision at home to Ball State last week, after losing 41-6 at East Carolina, Sept. 9. The Falcons, losers of their last four games, are in the midst of a three-game homestand at Perry Field.

CMU, the MAC Media's pre-season favorite, has lost a pair of hard-fought non-conference games the last two weeks. The Chips opened with a 22-20 loss at Southwestern Louisiana, Sept. 9, and then lost at home to the Akron Zips, 27-26, last Saturday.

Since 1980, the Chippewas and Falcons rank as the MAC's two best football programs. CMU is 50-23-3 (.678) in league games this decade, while BG is right behind at 52-26-2 (.663).

—BG—

**BOWLING GREEN COACH MOE ANKNEY:** Moe Ankney (BGSU '64), the 13th head coach at Bowling Green, is 12-22-1 overall in his fourth season at BGSU. His teams have an 11-13-1 mark in the Mid-American Conference. Ankney has a 1-2 vs. CMU, but 1-0 at Perry Field.

**CENTRAL MICHIGAN COACH HERB DEROMEDI:** Herb Deromedi (Michigan '60)

is in his 12th season as Chippewa head coach. His teams have compiled an 81-36-4 record overall and 66-26-4 mark in the MAC.

—BG—

**THE SERIES:** Bowling Green leads 13-12 in a series that began in 1924. The home team has won the last six times in the series, with BG claiming the last three decisions at Perry Field. Since joining the MAC, the Chippewas are 9-4 vs. BG. CMU was a 21-3 winner last season in Mt. Pleasant, MI.

—BG—

**LAST YEAR vs. CENTRAL MICHIGAN:** The Falcons were limited to 23 yards rushing in losing at Central Michigan, 21-3, in Mt. Pleasant, last October 15. BG's Eric Smith passed for 199 yards, hitting Kyle Hockman six times for 64 yards. Despite allowing 268 yards rushing, the Falcon defense kept BG in the game until a Chippewa TD late in the fourth quarter sealed the win. Kyle Kramer, now playing with the Cleveland Browns, paced BG with 16 tackles.

—BG—

**BOWLING GREEN OFFENSE:** It all comes down to scoring points, so the Falcon offense hasn't been producing at the level necessary to win games. Still, there was improvement from Week I to Week II on offense. The Falcon offense generated 308 yards of total offense, 13 yards more than Ball State and nearly 80 more than the Falcons had the week before. BG ran 70 offensive plays and averaged 4.3

*25 Years—Thanks To You!*

Now in his fourth year as head football coach at Bowling Green State University, Howard M. (Moe) Ankney believes the future of Falcon football will be as bright as its past.

"Bowling Green football is strong, and Bowling Green football is respected across the country," Ankney says. "When our players put on the Bowling Green uniform, they are eager to go out and uphold that winning tradition."

Hanging on his Doyt L. Perry Field office wall is a framed list of five objectives. Meet these goals, Ankney tells his players, and Bowling Green will maintain its reputation as one of the top two Mid-American Conference football programs of the 1980s.

—BOWLING GREEN FOOTBALL GOALS—

1. Each player earn a college degree
2. Continue the winning tradition
3. Beat Toledo
4. Win the California Raisin Bowl
5. Each player become the best that he can be as a student, as an athlete and as a person.

With these goals in mind, Ankney will lead his Falcon football team into the 1989 season, the 71st season in the long history of intercollegiate football at BGSU.

Appointed as the University's 13th head football coach on December 30, 1985, Ankney has coached the Falcons to second-place finishes in the MAC twice in the last three years. BG finished second in 1986 and second in 1987, before struggling to an uncharacteristic eighth-place finish last season.

Ankney has a 12-20-1 overall record at BGSU, a record that reflects the challenging non-conference schedule Bowling Green has played the last three seasons. BG lined up against a defending national champion one year, and then a team that played for the national title the next. In 1986, the Falcons visited Minnesota and Washington. In 1987, it was Penn State

## MOE ANKNEY

and Arizona. And last season, West Virginia and Texas Christian were confronted.

The Falcons will be challenged again outside of the MAC in '89. BG opens at East Carolina and closes the season at Tulsa. In between, the Falcons host Akron at Perry Field.

Ankney, a 1964 BGSU graduate, returned to his alma mater after serving six seasons as the assistant head coach, defensive coordinator and secondary coach at the University of Arizona of the Pacific-10 Conference. In leaving Arizona, he left a long-time coaching associate and friend, Arizona Head Coach Larry Smith. Like Ankney, Smith is a Bowling Green graduate, and the two coached together for 10 seasons.

Prior to joining the Arizona staff in 1980, Ankney was Smith's defensive coordinator and secondary coach at Tulane for four seasons between 1976-79. And before that, he was the secondary coach at Ball State

from 1971-75 under the late Dave McClain. In all, he has spent 17 seasons coaching football at the collegiate level.

At each stop, Ankney was instrumental in helping to rebuild struggling programs. While at Ball State, he helped the Cardinals improve their record from 4-5-1 in 1971 to 9-2 in 1975. At Tulane, Ankney helped the Green Wave from a 2-9 record in 1976 to a 9-2 mark and a berth in the Liberty Bowl in 1979. The Arizona Wildcats were 5-6 in 1980 and improved their record to 8-3-1 in 1985, including a 13-13 tie with Georgia in the Sun Bowl. His Arizona defensive units finished among the nation's statistical leaders from 1982-85.

Among his former players in the National Football League have been Denver Broncos linebacker Ricky Hunley and Cleveland Browns defensive back Al Gross. More than 20 of his former players have gone on to careers in professional football. At Bowling Green, Ankney has coached Kyle Kramer, a fifth-round draft pick by the Browns, as well as several others who have signed free agent contracts.

Ankney entered the coaching profession at the high school level. He was an assistant football and wrestling coach at Eaton High School for the 1964-65 seasons and then became head coach at Dayton Northridge in 1966. He moved on to Dayton Wayne High School as head coach in football and tennis in 1967 and stayed until 1971 when he joined the Ball State staff. His five-year head coaching record in the high school ranks stands at 24-21-5. While coaching in the Dayton area, Ankney earned his master's degree from Miami University in 1969.

Ankney, 47, a native Ohioan, grew up in Xenia before moving to Kettering as a high school senior. A 1960 Fairmont High School graduate, he was an all-state quarterback and a participant in the Ohio All-Star game.

While a student at BGSU, Ankney played on two MAC Championship teams as a reserve quarterback and lettered twice under legendary Coach Doyt Perry. The Falcons went 23-5-1 from 1961-63.

While an undergraduate, Ankney earned election to Omicron Delta Kappa, a leadership honorary, Phi Alpha Theta, a history honorary, and Kappa Delta Pi, an education honorary.

Ankney was reared in a football family. His uncle Pete was his head coach at Fairmont High School. Pete Ankney also was a head coach at Canton McKinley High School and at the University of Dayton. Moe's father, Ben, coached at Miami University and at Xenia High School.

Moe and his wife, Carlalee, are the parents of two daughters (Angela, 26, and Molly, 21), a son (Andy, 24), and two grandchildren (Ashley, 3, and Bryce, 1).

Howard Milton Ankney was born June 23, 1942.

# THE MID-AMERICAN CONFERENCE

Founded in 1946, the Mid-American Conference is one of the nine Division I-A conferences in the country along with the ACC, Big 10, Big Eight, Big West, PAC-10, SEC, SWC, and WAC.

The MAC consists of nine state-supported institutions in the midwestern states of Ohio, Michigan and Indiana. The nine current members—Ball State University, Bowling Green State University, Central Michigan University, Eastern Michigan University, Kent State University, Miami University, Ohio University, the University of Toledo and Western Michigan University—have all been members of the conference for 15 or more years.

Throughout its existence, the MAC has been in the forefront of national legislation that has enhanced the academic integrity of intercollegiate athletics. The MAC has had an academic progress rule, strengthened admittance standards and qualitative grade point average requirements for its student-athletes long before the NCAA adopted or discussed implementing such academic standards.

The MAC currently sponsors 18 championships. In men's sports, the MAC has sponsored championships in football, baseball, cross country, golf, tennis, and track and field since its founding, and added swimming and wrestling championships five years later.

In 1980, the MAC Council of Presidents voted to bring women's athletics into the conference structure. The MAC currently sponsors women's championships in basketball, cross country, field hockey, gymnastics, softball, swimming, tennis, track and field, and volleyball.

In the 43-year history of the conference, numerous MAC football teams and players have received national recognition. Bowling Green was recognized as the national

**Troy Dawson celebrates 1985 MAC Football Championship.**

college division champion in 1959, and Ohio won similar honors in 1960. After MAC teams achieved major college status, Toledo compiled a 35-game winning streak from 1969-71, the second longest such streak in modern major college football history. Miami beat Florida, Georgia and South Carolina in the 1973, 1974 and 1975 Tangerine Bowls. In the last few years, among the non-conference victims of MAC teams are opponents from the Big 10, Big Eight, SEC and WAC.

The 1989 MAC Champion will represent the conference against the champion of the Big West Conference in the California Raisin Bowl on December 9 in Fresno, CA.

MAC schools have a reputation for developing outstanding coaches. In last year's Fiesta Bowl which pitted Notre Dame against West Virginia for the national championship, it was Kent graduate

Lou Holtz against Bowling Green graduate Don Nehlen. On the same day in the Rose Bowl, Miami graduate Bo Schembechler directed his Michigan team to victory over Southern Cal coached by Bowling Green graduate Larry Smith. Among other current or former head coaches who played at and/or coached at MAC schools are Woody Hayes, Ara Parseghian, Don James, Paul Brown, Bill Mallory, Dave McClain, Don McCafferty, Weeb Ewbank, Frank Lautner, John Pont and two of the three 1988 inductees into the National Football Foundation Hall of Fame: Doyt Perry and Jack Mollenkopf.

Among current NFL players from MAC schools, Dolphins' linebacker John Offerdahl (Western Michigan) was the 1986 Rookie of the Year, Rams' center Doug Smith (Bowling Green) is a Pro Bowler and 12-year veteran; Bengals' defensive back Robert Jackson (Central Michigan) is the senior member of the five former Chipewas in the NFL; and defensive lineman Brent Williams (Toledo) is a rising star with the Patriots.

After concluding successful NFL careers, Bernie Casey (Bowling Green) and Tim Brown (Ball State), two former standouts at current MAC schools, went to Hollywood and have made numerous television and movie appearances.

MAC student-athletes are regularly selected to the GTE Academic All-America teams. In the last six years alone, MAC student-athletes have received Academic All-America honors 82 times. Since the Academic All-America program was established 20 years ago, MAC football players have earned that distinction 38 times. Five of the 48 Division I football players honored on the 1988 Academic All-America team were from MAC schools.

# DOYT PERRY

## 1988 College Football Hall of Fame Inductee

**Doyt Perry**

The year 1988 will be fondly remembered by Doyt Perry, the former player, coach and administrator at Bowling Green State University.

In January of '88, he learned that he would be an inductee into the National Football Foundation's College Football Hall of Fame.

In October, when Bowling Green hosted Miami at Doyt L. Perry Field, the man in whose honor the stadium was named was there for a special on-campus presentation by the National Football Foundation.

In December, Perry was in New York for the Foundation's Hall of Fame Dinner. He was officially enshrined into the College Football Hall of Fame at Kings Island, OH, this past June.

Perry's association with BGSU dates back almost 60 years when, as a student, he lettered nine times in three sports (football, basketball and

baseball). The Croton, OH, native received his degree in 1932 and began coaching on the high school level before becoming an assistant football coach at Ohio State University in 1951.

Perry returned to his alma mater as head football coach in 1955. The next 10 years, he led the Falcons to a 77-11-5 record for a winning percentage of .855, topped only by Knute Rockne and Frank Leahy of Notre Dame. His teams won five MAC Championships and the national college division championship in 1959.

Perry, who retired from coaching in 1964 to become BGSU's athletic director for six years, developed such outstanding coaches as Jim Young of Army, Bill Mallory of Indiana, Don Nehlen of West Virginia, Larry Smith of Southern California, the late Dave McClain of Wisconsin and Bowling Green's own Moe Ankney.

Derrick Carr

Larry Lambright

Mike Holmes

# Defensive Trio Ready To Lead In 1989

by **ANDREA LEGARTH**  
BGSU Sports Information Office

Much is expected from key defensive players Larry Lambright, Mike Holmes, and Derrick Carr this season. All three are seniors with the starting experience necessary to lead the rest of the defense out of its eighth place finish in total defense in the Mid-American Conference last year.

Lambright, 6-3, 235 lbs., from Barberton, OH, and a product of Norton High School, said his main goal for the season is to help improve the defense. "I'd like to see us number one in defense in the MAC, if not, then in the top three," Lambright said. He added that the defensive players are doing great. "The players have great attitudes and are playing with enthusiasm."

As a fifth-year senior, Lambright is prepared to take on a leadership role. The three-year letterman is regarded as BG's best all-around linebacker. He played in eight games last year, starting in six of them. Off the field, Lambright is a physical education, coaching, and health major.

Defensive coordinator and inside linebackers' coach Kurt Humes said of Lambright, "He is the quarterback up front — he puts us in a defensive front. Larry is a mentally sharp and dominating player. He has the experience, size and skills; he needs to shine."

Mike Holmes has three years of starting experience behind him at two positions. He started at cornerback in 1986 and again this year.

Holmes attributes his success at both positions to his 6-0, 180-pound size. "I'm not too big for cornerback, and not too small for safety. I also have the speed for both," he added.

Holmes feels he can better his career high of 91 tackles set last year due to more tackling opportunities at the free safety position.

His role with the team this year is to be a leader. "I was always the youngest out there, now I'm the experienced one," Holmes said. He is a tri-captain along with Lambright and quarterback Rich Dackin.

Humes said Holmes has great leadership qualities. "He is also the quarterback on defense. He puts us in the right coverages. Mike is the leader in the secondary, and is a strong physical force," Humes continued.

Holmes' team goals include winning the MAC and going to the California Bowl, of which he said there is a good chance.

His personal goals include satisfying himself. "The last three years I've been average. This year I want to be a factor and have people know who Mike Holmes is," he said. Holmes is a business major from

Alliance, OH.

According to Humes, two things are needed from left tackle Derrick Carr this season. "He needs to be a dominating defensive lineman in the MAC; he has the size and strength," Humes said. The other is leadership. "More leadership is needed from him than before because he's been around and has the experience," Humes continued.

Carr is aware of his leadership responsibility, being one of a few seniors on defense. "That puts me in a position where leadership is important," Carr said. He stressed that leadership plays a big role in success.

The 6-6, 265-pound Carr from Detroit, MI, has being all-conference this year as his personal goal. His team goal includes being closer as a team and going to the California Bowl.

When comparing this year's team with last year's team, Carr said the team is better prepared. "There is a very noticeable change in attitudes. There is more confidence," Carr added. He is a visual communications and technology major.

Humes said the team as a whole is better prepared than last year. "There are more experienced players this season. The experience factor is important because experience is tough to teach," he finished.

yards per play. The Falcons are ranked eighth in the MAC in rushing offense (83.5 YPG) and fifth in passing offense (185.0 YPG). Senior quarterback **RICH DACKIN** was 16-of-28 passing for 198 yards. He wasn't intercepted, but he still hasn't thrown a TD pass since the final game of the 1987 season. Freshman tailback **LEROY SMITH** came on in relief of starter **CHARLES EDGERTON** and picked up 88 yards on 19 carries, the best showing by a BG back since Mike McGee gained 89 yards against Youngstown State last year. Smith was one of four BG Falcons who caught three passes; the others were senior wide receivers **RONALD HEARD** and **REGGIE THORNTON** and fullback **RON VIS-COUNTE**. Heard led BG with 61 yards receiving, including one reception for 36 yards.

—BG—

**BOWLING GREEN DEFENSE:** The Falcon defense showed some positive signs against Ball State. BG yielded four touchdowns against Ball State, but only two of those scores culminated drives of more than 38 yards. The Cardinals drove only 36 and 38 yards for two TDs. BG had a hard time stopping the Cards' Adam Wilson, who rushed for 126 yards and a TD on 36 carries, and tight end Eugene Riley (six receptions, 82 yards). BG did limit Ball State to less than 300 total yards (295), and the Falcon coaches were pleased with the overall defensive effort. The Falcons are ranked last in the MAC in rushing defense (289.0 YPG) and first in passing defense (117.5 YPG). Senior free safety **MIKE HOLMES** played a solid game, making four solo tackles and assisting on three others.

Their names are familiar, because they have made an impact on football at all levels of the game — high school, college, and professional.

They belong to the Falcons' Nest of Coaches, an organization created in 1984 for the purpose of promoting the proud tradition of Bowling Green Falcon football. Through the development of student and graduate-assistant programs at Bowling Green, most of these coaches got their start at this Mid-American Conference institution. They've studied and matured under the coaching philosophies of Warren Steller, Doyt Perry, Bob Gibson, Don Nehlen, Denny Stolz and Moe Ankney, to name a few. Today, they are making a name for themselves and for their respective football programs around the country. Though they may be miles apart, they share at least one thing in common. They are members of a fine football coaching fraternity at Bowling Green State University, the Falcons' Nest of Coaches.

A few of the members are listed below:

More than 50 former Falcons have been drafted by or played for a team in the National Football League, American Football League, World Football League, United States Football League or Canadian Football League.

Among them have been several players who have made significant contributions to their professional teams: players such as Bernie Casey '61, a wide receiver with the Los Angeles Rams and San Francisco 49ers in the 1960s; Bob Reynolds '63, an offensive tackle with the St. Louis Cardinals for more than a decade; Jamie Rivers '67, a linebacker for three pro teams for nine years; Bob Schnelker '51, an offensive end with the New York Giants; Phil Villapiano '71, an all-pro linebacker with the Oakland Raiders and Buffalo Bills; Mike Weger '67, a Detroit Lions defensive back; and Dave Preston '77, an all-purpose back with the Denver Broncos.

Currently, several former Falcons dot the rosters of professional teams. They include All-Pro center Doug Smith '78 with the Los Angeles Rams and defensive back Martin Bayless '84 of the San Diego Chargers. A 10-year NFL veteran as a player, Bob Schnelker '51 is in his 27th season of coaching in the NFL. He has been offensive coordinator for the Minnesota Vikings since 1986. Ron Blackledge '60 is in his eighth year as offensive line coach for the Pittsburgh Steelers.

New to the NFL scene is Kyle Kramer, a fifth-round draft pick of the Cleveland Browns earlier this year.

Three former Falcons have been drafted as high as the second round — Bernie Casey by San Francisco (1961), Bob Reynolds by St. Louis (1963), and Phil Villapiano by Oakland (1971). Mark Miller was BG's only third-round pick (by Cleveland, 1978). Martin Bayless was tabbed in the fourth round by St. Louis (1984). And like Kramer, Jamie Rivers was selected in the fifth round by St. Louis (1967).

# Vista, BGSU Announce Plans For Research/Enterprise Park

A cooperative venture to establish a full-fledged research/enterprise park on University property just east of I-75 has taken a major step forward. And it's a step that will benefit students and faculty as well as the economy of northwest Ohio.

Bowling Green State University President Paul J. Olscamp announced earlier this month that the University has entered into an agreement with Vista Development Inc. of Toledo to assist in finding companies and organizations to locate in the park. The park is one of the few of its kind associated with a state university in Ohio. Vista is a Rudolph/Libbe Inc. company headed by David Boston.

The 88-acre park, located at the corner of Dunbridge Road and E. Wooster Street in Bowling Green, is a collaborative effort of the University, the city of Bowling Green, Wood County, the state of Ohio and private enterprise. Bowling Green Mayor Edwin Miller as well as members of the Wood County Commissioners Thomas Warns, Marilyn Baker and Leonard Stevens were on hand for the announcement.

Olscamp said that never before during his career has he seen this kind of cooperation. "I think it's unique. It's time for us to get together and do something important here," the president said.

Vista's role will be to identify companies and organizations whose needs are compatible with the intent of the park and to occupy the approximately 15 buildings planned for the park. In addition to their own growth and economic development, the park's tenants are expected to provide educa-

*"This agreement is tangible evidence of Bowling Green's all-out commitment to enhance the economic base of northwest Ohio and expand upon opportunities available to our students to work with progressive companies. We want to maintain the lead in this vital financial and educational activity."*

University President

tional opportunities and experiences for University students as well as consulting and research opportunities for faculty.

Olscamp said the University talked with firms from throughout the Midwest and Northeast before selecting Vista. He said Bowling Green is pleased to have reached an agreement with Vista because of the Toledo company's local ties, fine reputation and sincere interest in developing northwest Ohio.

*"This agreement is tangible evidence of Bowling Green's all-out commitment to enhance the economic base of northwest Ohio and expand upon opportunities available to our students to work with progressive companies. We want to maintain the lead in this vital financial and educational activity,"* Olscamp said.

Boston said his company's interest in the project was sparked first, by its location, and secondly, by the resources the University can provide to business and industry.

"We think that the location of the project on I-75 and the activity being generated along the interstate is excellent. It's a good location for people who can directly benefit from the research and technical expertise at the University," Boston said.

Vista will help locate tenants for the park and build and/or lease buildings to meet their needs. The University will lease land to Vista or to the tenants.

One site is already committed to Bank Sites Inc., a subsidiary of Mid-American National Bank and Trust Co., which broke ground earlier this summer.

Vista has, independently or in joint ventures with Rudolph/Libbe Inc., developed a number of the region's leading projects including the Cedar Business Center and the Rudolph-Libbe-Center, home to a number of leading manufacturing, service, distribution and commercial companies. Vista also was involved with the development of Arrowhead Park in Maumee.

Vista is a member of the National Association of Industrial & Office Parks. Rudolph/Libbe Inc., is one of the nation's 400 largest construction companies.

Initially, Vista will be involved in creating promotional materials for use in marketing the park, compiling information on previous collaborations between University faculty and outside organizations, and completing a comprehensive catalog of University human resources and expertise that can be tapped by private enterprise that is developed at the research/enterprise park.

## Varsity BG Day Honors 3

It's Varsity BG Day, the annual celebration that brings former Bowling Green State University letterwinners back for a day of football, fellowship and feasting.

It is also a big day for three men who have given their time and effort to the University over the years. A reception for the three honorees along with the 1959 and 1964 teams will be held following the game from 4:30 to 6:30 at the Mileti Alumni Center.

Cliff Conrad, '37, a four-sport letterwinner in the middle 30s, is the Golden Anniversary Award recipient. The Varsity BG Club also honors John Galyas, '58, as the Silver Anniversary award recipient and Robert Dudley as the Honorary Letterman Award winner.

The Golden Anniversary Award is given to a BGSU letterwinner who graduated 50 years ago and prior (1915-1939). The Silver Anniversary Award is presented to a BGSU letterwinner who graduated 25 years ago (1940-1964) while the Honorary Letterman Award is given to someone who has made a significant contribution to BGSU athletics but is not a letterwinner.

Conrad, who has operated a 45-acre summer resort area in Elk Rapids, Mich. since his retirement in 1972, earned letters in football (1934), track (1935-36), tennis (1935-36) and basketball (1935-37) during his athletic career at BGSU. Conrad led the Falcons in scoring both his junior and senior seasons. The Maumee High School graduate earned All-Ohio honors in basketball and was the team captain as a senior under Coach Paul Landis.

A former Varsity BG Club president, Conrad earned his undergraduate degree in physical education and was a teacher and coach in Waterville, Ohio for one year before spending the next 34 years as a teacher and coach at Maumee High School. Conrad spent time as the athletic director at Maumee in addition to duties as coach of football,

basketball, track and tennis teams at various times during his tenure.

Conrad and his wife, Ruby, have two sons, one daughter and five grandchildren.

Galyas lettered in football in 1954 as a defensive back and halfback after a prep career at Toledo Waite High School. Galyas was an assistant coach for the freshmen under Jim Ruehl in 1956 while completing his work toward a degree after spending the 1955 season as a reserve halfback on Doyt Perry's first team.

A member of the Varsity BG Club executive committee since the organization was formed, Galyas was a teacher and coach in the Toledo school system for 30 years, including at his alma mater. Galyas, who now works with disadvantaged children, has been an important member of the Varsity BG Club performing many assignments at golf outings, receptions and dinners.

Galyas and his wife, Henrietta, have two children, Karen Linn and John, Jr.

Dudley spent 28 years in the BGSU athletic department as a coach and administrator after a few years of teaching and coaching at the high school level. Dudley attended Capital University before his attendance was interrupted by World War II. After the war, the Columbus native attended Ohio State where he lettered as a member of the Buckeye baseball team before earning his degree in 1948.

After stints at Lancaster and Grandview High Schools, Dudley came to BGSU in 1955 where he would serve under former Falcon football coaches Doyt Perry, Bob Gibson and Don Nehlen. In 1971, Dudley became the BGSU Golf Course manager and is responsible for designing what is today the back nine holes on the golf course.

Dudley's wife, Anna Mae, passed away in December. Dudley has two sons, David and Robert.

## Remembering BG's Champions ... 1959, 1964

by MARK HUNTEBRINKER  
BGSU Sports Information Office

Predicting the fate of the 1989 Bowling Green football team is virtually an impossible task, but one certainty this season does bring is the 25th and 30th anniversaries for two of the finest football teams in the school's history.

The 1959 and 1964 versions of Falcon football provided many exciting moments which are anything but distant memories in the minds of Falcon faithful. The teams together compiled two Mid-American Conference Championships, the first undefeated and untied season in school history, and national exposure. To put it in more simple terms, the teams played 19 games and lost just once.

As is the case with any other successful college football program, the man in charge of these two teams possessed a vocabulary that didn't include the word "lose." This man was Doyt Perry. During the decade of the Perry Era, the Falcons soared to a 77-11-5 record (.855) and never lost more than two contests in one season. Perry was rewarded for his great success with his enshrinement into the National Football Foundation's College Football Hall of Fame in 1988.

The 1959 campaign featured the arrival of Bowling Green football into the national limelight. It was a team that earned numerous honors for itself, its players, and Perry. Following the season, the Falcons and their mentor were owners of a perfect 9-0 record, a National College-Division Championship and an Ohio Coach of the Year Award for Perry.

Today, Perry is left with some fond memories of the 1959 squad.

"The '59 team was one that gave us more national publicity than any other," Perry said. "That was probably the most outstanding year Bowling Green has ever had. We had some outstanding players."

The collective talent was indeed impressive. Seven players were honored by being selected to the All-MAC team. First team picks included halfback Bernie Casey, quarterback Bob Colburn, end Ron Blackledge, and tackle Bob Zimpfer. Second team picks were fullback Jerry Dianaska, halfback Russell Hepner, and guard Charles Ramsey. Casey and Zimpfer were also tabbed with All-America honors.

## THE FALCON CLUB NEEDS YOU!

### To All Falcon Fans:

You are the key to success for our Falcon teams! The BGSU Athletic Department depends on the Falcon Club to raise more than \$248,000 in 1989. This money will help fund athletic grants-in-aid, assist in the recruiting of prospective student-athletes, and provide funding for athletic facilities budgets.

Members of the Falcon Club are alumni, parents, friends and fans who provide financial support, volunteer hours and advisory expertise to the BGSU athletic program and share in the many benefits the Falcon Club has to offer.

The Falcon Club has ambitious goals for 1989 and is eager to involve YOU in our activities. The need to support our program is at an all-time high. Your financial contribution and BGSU's athletic program are a winning combination.

We are very proud that Bowling Green's athletic program is recognized as one of the best in the country. All of our 19 teams are highly competitive and very representative. Falcon Club membership offers you the opportunity to support these teams. Falcon Club donations have greatly aided our program, and to continue that winning tradition throughout the 1989-90 campaign will require another supreme Falcon Club effort.

I look forward to having you join the Falcon Club in 1989!

Sincerely,

Charles F. Nagle  
Associate Athletic Director

## Batson Named BGSU Strength and Conditioning Coach

Michael J. (Joey) Batson has been named Bowling Green State University's first intercollegiate strength and conditioning coach, BGSU Athletic Director Jack Gregory announced recently.

Batson comes to the University from Clemson University, where since 1985 he has worked as an assistant strength and conditioning coach under Director Gary Wade.

"We are very pleased to welcome Joey Batson to our department," said Gregory. "Under his direction, our student-athletes will receive knowledgeable guidance and direction in their strength and conditioning programs."

Batson, 28, said, "I feel honored and excited to be here. There is a lot of enthusiasm among all of the athletes and coaches. The opportunity is here to have a good program. The weight facility has been re-done, and that shows the interest is there. With a lot of hard work and consistency, we should see a lot of improvement."

As assistant strength coach at Clem-

son, Batson worked under Wade to implement in-season and off-season weight training programs for the Tiger football team. Batson also designed and implemented programs for Clemson's baseball, swimming, volleyball, and men's and women's basketball teams.

During his stay at Clemson, the Tiger football team won two Atlantic Coast Conference Championships and had three strength team All-Americans.

Wade said of Batson, "He has been my right hand for the past four years and has had a great deal to do with the success of our program. Joey is a very knowledgeable instructor, who is really concerned about the progress of each and every athlete."

Batson holds a master's degree in education from Clemson. He earned his bachelor's degree in physical education from Newberry (SC) College in 1985. He was a three-year football letterman and co-captain at Newberry.

A native of Greenville, SC, Joey is married and his wife's name is Susan.

**An aerial view of the Bowling Green State University campus.**

Bowling Green State University offers a range of educational opportunities expected in a large university, yet retains the personalized small-school atmosphere of its early years.

When Bowling Green Normal School opened its doors in 1914, there were 15 faculty members and all 158 students were studying to be teachers. Today, the University has nearly 720 full-time and 200 part-time faculty and 17,800 students on its main campus. Degree programs are offered through the Colleges of Arts and Sciences, Business Administration, Education and Allied Professions, Health and Human Services, Musical Arts, Technology, and the Graduate College. Within the undergraduate colleges are Schools of Art, Mass Communication, Nursing, and Health, Physical Education and Recreation.

The University offers more than 170 undergraduate degree programs, 75 master's degree programs and has 14 departments granting doctoral degrees in 53 specialty areas.

In addition to courses on the main campus, the University's Firelands College campus, located in Huron, Ohio, offers 17 two-year associate degree programs, as well as courses which fulfill the first two years of a bachelor's degree requirement. Firelands College enrolls about 1,200 students.

Fully accredited at the highest state, regional and national levels, the University

has chapters of most national academic honor societies, including Phi Beta Kappa and Phi Kappa Phi. Bowling Green is also a member of the National Association of State Universities and Land Grant Colleges.

The University's faculty members, 82 percent of whom hold the highest degree in their fields, include Fulbright Scholars, authors and nationally known researchers. The caliber of the faculty is reflected, too, in the number of academic programs which are regionally and nationally recognized, including the chemistry department which hosts an Ohio Eminent Scholar in Photochemical Sciences. The Ohio Eminent Scholar program was created by the Ohio Board of Regents to attract world class scholars to the state's universities.

Committed to teaching, faculty are scholars as well, generating new knowledge through independent research and involvement in University units such as the Population and Society Research Center, the Center for the Study of Popular Culture, and the Social Philosophy and Policy Center. Bowling Green is also the site of the National Drosophila Species Center and the Mid-America Stock Center—the largest scientific facilities of their kind in the world—where University faculty assist in supplying some 400 species of fruit flies to scientists involved in genetics and cancer research around the globe.

The University's students come from

throughout the United States and nearly 60 foreign nations. While most students are between the ages of 18-22, the number of those older than 25 is increasing. During the spring term of the 1988-89 academic year, there were more than 2,700 "non-traditional" adult students enrolled in undergraduate and graduate degree programs on a full- or part-time basis.

The focal point of the 1,250-acre campus is the nine-story Jerome Library, with its collection of more than 4 million items, including 1.5 million books plus journals, periodicals, microforms, government documents and other materials. Special sections of the library include the Center for Archival Collections which houses materials relevant to northwest Ohio history and the Sound Recording Archives with 400,000 recordings. The Institute for Great Lakes Research, located in Perrysburg, contains an extensive collection of materials on the shipping industry's past and present.

The University is continually refurbishing its more than 100 existing buildings and upgrading facilities to meet current needs. An example is the recently completed \$3.65 million addition to the Business Administration Building. A major renovation of Williams Hall, home of the history, sociology and political science departments, was completed in 1988. Upcoming renovation projects include Shatzel Hall and Overman Hall. Also, numerous computer facilities have been installed and upgraded throughout campus.

**VISIT US AFTER THE GAME!**

When Dr. Paul J. Olscamp became Bowling Green State University's eighth president in 1982, he charted a course that would move Bowling Green into the ranks of the country's most important national educational resources. The effort, he said, would be an unrelenting commitment to excellence in teaching, research and service at the University. Indeed, he adopted the slogan "An Environment for Excellence" to describe his hopes for Bowling Green.

Since then, everything the energetic Olscamp has done at Bowling Green has been aimed at fulfilling that vision. Early in his administration, Olscamp and the faculty outlined the task to be done in a 27-goal document called the Role and Mission Statement. Most of the goals centered on improving the quality of undergraduate and graduate students, the academic programs, the learning environment and the faculty and its resources.

Now, as Olscamp begins his eighth year at Bowling Green, many of the Role and Mission Statement's original goals have been met and Faculty Senate's Committee

**PAUL J. OLS CAMP**

on Academic Affairs has assigned new priorities including the recruitment of minority faculty and students and greater emphasis upon research production.

More than any other president in Bowling Green's history, Olscamp has sought to fully involve the faculty in University governance. Faculty now have an important role in developing the annual budget and share authority with the president in interpreting the University's Academic Charter. Before the change, only the president had that power. The faculty also have greater control over the curriculum and development of new academic programs.

Olscamp brings a personal touch to the presidency and frequently hosts students for breakfast at his home, eats with them in campus dining halls and attends as many student events as his schedule permits. In the past five years he has hosted more than 575 faculty at a series of "fireside talks" at the president's home. During the academic year he holds weekly forums for students wanting to discuss campus issues.

## Highlighting The Olscamp Administration

A great deal has happened at Bowling Green since Dr. Olscamp arrived on campus eight years ago. With the support of the Board of Trustees and the assistance of dedicated faculty and staff, there have been many important accomplishments. Some of those include:

### Academic Programs

- \* Creation of Bowling Green's first endowed professorships, in management, finance, chemistry and philosophy.

- \* Development of the Center for Photochemical Sciences, the only one of its kind in the country. Photochemistry is a multi-billion dollar growth industry and some key research for that industry is being conducted at Bowling Green.

- \* Winning Ohio Eminent Scholar positions in photochemical sciences and applied philosophy.

- \* Addition of doctoral programs in applied philosophy and photochemical sciences; the 13th and 14th Ph.D. offerings at Bowling Green.

- \* Increasing to 53 the number of National Merit scholars enrolled, the most ever in University history and a figure that will place Bowling Green in the top 25 percent in the country.

- \* Establishing the University's first major scholarships for minority students.

- \* A network of more than 20 microcomputer labs throughout the campus, including labs in each residence hall, as part of

an effort for all students to have a background in computer usage by the time they graduate.

- \* Securing more than \$4.4 million from the Ohio Board of Regent's Selective Excellence Programs, which are designed to attract the world's top scholars to Ohio, conduct pioneering research and develop centers of excellence on the state's campuses. Eminent Scholars have been awarded in both the sciences and the humanities, which reflect a remarkable breadth of scholarship.

- \* Increasing library holdings to more than 4 million items, including 1.6 million books, plus journals, periodicals, microforms, government documents and other materials.

### Physical Plant

- \* Nearly \$66 million in state capital improvement funds for renovation and new construction projects.

- \* Completion of \$7.2 million Physical Sciences Laboratory Building in 1984.

- \* A \$3.65 million addition to the Business Administration Building completed in 1988.

- \* A \$9.1 million addition to the Fine Arts Building scheduled to get underway in the next 18 months.

- \* Major renovation and refurbishing of existing campus buildings including Williams, Overman, Hayes and Shatzel halls. Construction of a \$2 million office building to house faculty and staff temporarily displaced by renovation projects and later to be used for permanent offices.

porarily displaced by renovation projects and later to be used for permanent offices.

### University Finances

- \* Growth in the University endowment from \$1.9 million in 1982 to more than \$20 million by the end of 1989.

- \* Creation of an internal endowment fund of \$4 million from various University reserves. The balance is approaching \$8 million and is expected to reach \$10 million in three years. Interest on the \$10 million principle will be used to supplement the academic budget.

- \* Developing a plan that restructures debt service obligations and is projected to result in a \$35 million principle in 11 years. Interest on that amount, which could approach \$3 million annually, will go toward the academic budget.

- \* Most successful fund raising drive in University history. With the assistance of the development and alumni office, the 75th Anniversary Fund raised more than \$15 million in three years; well above the \$12.5 million goal. Donations included the University's first two \$1 million gifts—from the Stranahan Foundation of Toledo for the Social Philosophy and Policy Center and from Harold and Helen McMaster of Perrysburg for the McMaster Leadership Institute. In 1988 the Stranahan Foundation awarded a \$3 million grant to the Social Philosophy and Policy Center.

...1988, 1989 NCAA All-American

When, in the year 2000, historians look back upon 85 years of intercollegiate athletics at Bowling Green State University, they'll stop and take a second look at the 1980s. Bowling Green sports teams of the 80s have achieved a level of success matched by few.

In all, Bowling Green teams have won 23 conference titles the last nine years, 18 in the Mid-American Conference and five in the Central Collegiate Hockey Association. Eighteen teams have gone on to post-season play in the NCAA, NIT and California Bowl.

Each of the 19 sports at Bowling Green has enjoyed success in the 1980s. Here is a brief look at the "Winning Tradition" of the Bowling Green Falcons...

**BASEBALL** — Coach Ed Platzer's Falcons tied the best start in the 72-year history of the sport by beginning the 1989 season with a 14-2 record that included a shutout win over NCAA tournament participant Michigan. BGSU can boast about one of the finest college baseball facilities in the region, Steller Field. The Falcons are also a MAC leader in producing future professional players. Roger McDowell helped pitch the New York Mets to the World Series Championship in 1986, while Orel Hersher did the same in 1988 with the Los Angeles Dodgers.

**MEN'S BASKETBALL** — Coach Jim Laranaga has built a solid foundation that should produce a Mid-American Conference championship contender in 1989-90. Strong recruiting classes the last three years and an exciting up-tempo brand of basketball have made venerable Anderson Arena once again "The House That Roars." Historically, BGSU leads the MAC in post-season appearances and victories.

**WOMEN'S BASKETBALL** — Coach Fran Voll, the two-time Mid-American Conference Coach of the Year, has led the Falcons to three-straight MAC Championships and NCAA Tournament appearances

**Alan Leggett**

**Paulette Backstrom, Megan McGuire, Jackie Motycka.** ...Made MAC History

single-game attendance record of 33,527 at Doyt Perry Field. Coach Moe Ankney's 1989 squad features two-time All-MAC receiver Reggie Thornton and 16 other returning starters.

**GOLF** — Coach Greg Nye's men's and women's golf teams play on some of the most challenging courses in the country against some of the top teams in the nation. The BGSU men regularly travel to Florida and the Carolinas for their annual spring tune-up. The Falcons have won four Mid-American Conference Championships and made four NCAA Tournament appearances in the last 19 years. The Falcon women annually compete with the very best teams in the Midwest.

**GYMNASTICS** — Year in and year out, Coach Charles Simpson fields a MAC title contender and the 1988-89 season was no different. BGSU set a new standard with a 180.5 team score during the season, the first time in the history of the program BGSU has bettered 180 points, while continuing to be a threat for league honors. The Falcons have qualified as a team for post-season competition four of the last six years.

**HOCKEY** — One of the most consistent programs over the last few years has been the hockey program. Under head coach Jerry York, BGSU has become a most attractive place for a hockey player to continue his pursuits. Among the many accomplishments has been a national championship, the University's first, in 1984, berths in three straight national tournaments, eight straight trips to Joe Louis Arena for the CCHA Finals and four regular-season league titles. In all, the Falcons have won seven conference titles and appeared in eight NCAA tournaments.

**SOCCER** — Coach Gary Palmisano's Falcons have posted a winning record in all but two seasons during the 1980s.

## Soaring Falcons!

## Bowling Green Is A 1980s Success Story

BG has ruled the MAC with a 46-2 league record the last three years. A MAC record crowd of 4,100 flocked to Anderson Arena for BG's NCAA Tournament victory over Cincinnati last March. With two starters returning, including two-time All-MAC center Angie Bonner, Voll's Falcons figure to remain a MAC power in 1989-90.

**CROSS COUNTRY** — Highly-respected Sid Sink, who ran his way into the national limelight as an athlete at Bowling Green in the 1970s, has maintained that winning tradition as head men's and women's cross country coach in the 1980s. Sink was a 10-time All-American at BGSU as an athlete. Now as a coach, he has guided the Falcon women to four Mid-American Conference CC titles in nine years. His 1989 men's and women's teams both are likely contenders for MAC honors.

**FOOTBALL** — Bowling Green has the second-best record in the Mid-American Conference this decade, as the Falcons have finished either first or second in the league standings six of the last seven years. The Falcons have won two MAC titles and made two trips to the California Bowl since 1980. BG also holds the MAC

The Falcon booters also captured the 1988 Kwik Goal/BGSU Soccer Cup for the third-straight year. BG players have earned All-America honors seven times, the most recent being Jon Felton, while Kyle Royer became the first booter to earn Academic All-American honors following the 1988 season.

**SOFTBALL** — Head Coach Jacquie Joseph begins her second year with the Falcons, after making an impressive debut last spring. Coaching a young and inexperienced squad, Joseph proved to be a patient and able leader, molding her players into a very competitive unit in the Mid-American Conference. The outlook for the 1990 season is bright, with the return of all but one starter from the '89 team.

**SWIMMING** — Coach Brian Gordon, MAC Co-Coach of the Year in 1988, has continued a rich swimming tradition as he approaches his third season of coaching both the men's and women's teams in 1989-90. The Falcon women have made winning a habit in the 80s. It began with the MAC Championship in 1980-81 and has continued with no worse than third-place finishes in successive years. This winter, the men will host the MAC Championship at beautiful Cooper Pool, one of the midwest's top swimming and diving facilities.

**TENNIS** — Robert Keefe Courts have been the site of many top MAC tennis matches in

the 1980s including the men's 1989 conference tournament. The men's team, guided by new coach Gene Orlando, improved two spots in the conference tournament and had a seven-match winning streak, the longest since 1979, during the 1989 campaign. The women's tennis program, under the tutelage of second-year Coach Sheila Chiricosta, has also begun to prosper posting its first winning record since 1983.

**TRACK & FIELD** — Bowling Green, long associated with success in track and field, was once again represented at the NCAA Track and Field Championships in 1989. Beth Manson repeated as an All-American in the discus, making Mid-American Conference history as the league's first two-time All-American in women's track. The Falcon women have posted two consecutive top-three finishes in the MAC. Coaches Sid Sink and Tom Wright guided BG's men to within 22 points of third place last spring.

**VOLLEYBALL** — Coach Denise Van De Walle's Falcon volleyball team has earned a spot as one of the top programs in the MAC. Bowling Green has steadily improved its standing in the league under Van De Walle including a runner-up finish in 1987 that earned the Falcon coach MAC Co-Coach of the Year honors. BGSU is looking for more of the same to close out the 80s as they return eight letterwinners who concluded the 1988 season with wins in eight straight matches.

**1959 FALCONS (9-0-0 Overall, 6-0-0 MAC) National College Division Champions**

*(Continued from page 32)*

According to Perry, the 1959 team was a well-rounded one, but it wasn't superior in talent to that of any of his other squads.

"Because of the record, '59 would have to be called the best team," he said. "But it wasn't really much different than any of the other teams I coached. In fact, it is surprising any time you win all your games, but it has never been a goal of mine before to lose a game."

One game stopped the 1964 team from becoming the second team in BGSU his-

tory to finish undefeated and untied. The team's one blemish, in a season which turned out to be Perry's last, came in a 21-0 loss to Ohio University in the last game of the season, one game after the Falcons had clinched the conference crown.

"That team (1964) was one of the stronger teams we had," Perry said. "It had numerous players I still think about."

No less than seven members of that squad were named to the All-MAC first team. The honorees included halfback Jay Cunningham, tackle Jerry Jones, halfback Tom Reicosky, end Jamie Rivers, fullback Stew Williams, center Heath Wingate, and fullback Tom Wissner.

From the 1964 football squad, an im-

pressive total of three players were signed to NFL contracts. These included end Tom Sims (Los Angeles Rams), back Jay Cunningham (Boston Patriots), and tackle Tony Lawrence (St. Louis Cardinals).

But team and individual accomplishments can be thrown out the door when Perry talks of one of his most cherished statistics of not only the '59 and '64 BGSU teams, but all of his teams while at the helm.

"One of the things I'm most proud of is that a good percentage of these guys graduated from college," he said. "I would bet that our record of graduation was as good as anybody's during that time."

**1964 FALCONS (9-1-0 Overall, 5-1-0 MAC)**

Since his appointment eight years ago as athletic director, John C. (Jack) Gregory has set a standard of excellence designed to place Bowling Green State University on equal terms with today's elite intercollegiate athletic programs.

In his first seven years at Bowling Green, Gregory has challenged his staff of administrators, coaches and classified workers to settle for nothing less than the very best. His challenge has resulted in some of the finest moments in the history of intercollegiate athletics at BGSU — moments such as:

- the 1984 NCAA Division I Ice Hockey Championship;
- 12 Mid-American Conference regular season championships in football, men's and women's basketball, softball, women's cross country, gymnastics, and men's golf;
- two California Bowl appearances;
- three MAC post-season tournament championships;
- three Central Collegiate Hockey Association regular season championships;
- one CCHA post-season tournament championship;
- 11 NCAA Tournament appearances in hockey, basketball, softball and gymnastics, including a MAC record five appearances in the last two years and seven in the last three years;
- three home NCAA events the last two years in hockey, softball and women's basketball, the most ever for a MAC member over a two year period;
- and the 1987-88 Jacoby Trophy, awarded annually to the MAC school with the best overall record in women's sports.

Gregory came to Bowling Green during one of the most difficult periods in the school's 72 years of intercollegiate athletics, a time when BGSU and the MAC were fighting for NCAA Division 1-A status in football. Behind Gregory's leadership, the football program attained 1-A status.

During Gregory's tenure here, BGSU has proven to be a marketing and promotions leader. Record crowds have attended Falcon football,

## JACK GREGORY

hockey and women's basketball games. Crowds have swelled, too, in sports like soccer, volleyball, gymnastics and softball. In 1983, 33,527 fans packed Doyt L. Perry Field to witness the annual college football classic between Bowling Green and Toledo. BGSU and MAC single game attendance marks fell that afternoon. Two years later, the Falcons drew a record 112,110 fans for five home games, giving BGSU the second-largest average attendance (22,422) in MAC history. In 1987, Bowling Green set still another MAC attendance record by playing in front of 84,574 fans at Penn State.

Sell-out crowds for BGSU hockey games are also a tradition, making game tickets the hottest item in town each winter. This year, the BGSU Ice Arena will attract even larger crowds; an additional 1,700 seats have been added to the north end of the arena.

With the growing interest in TV sports pro-

gramming, Gregory has aggressively negotiated for live television coverage of BGSU sports events. Last year, Falcon football, basketball and hockey all attracted live TV coverage. The 1989-90 year promises more of the same. Falcon football and basketball will be seen again around the country as part of the MAC Game of the Week on Master Video Productions, while Falcon hockey will continue to play in front of a national TV audience as part of the CCHA Game of the Week on Pro-Am Sports.

Gregory, 61, has also been instrumental in the record-breaking development of the Falcon Club, the University's official athletic department booster club. Recent membership drives have encompassed the Toledo, Cleveland and west central Ohio areas, resulting in unparalleled growth in cash and pledges. The Falcon Club has more than doubled its income and grown to such an extent that it compares favorably with any athletic support organization in the country.

Still, Gregory understands the integrity of college athletics depends on the continued emphasis of the "student" in student-athlete. In that regard, he appointed a director for academic and regulatory affairs in 1984, the first such appointment in the MAC. Today's student-athlete is offered every opportunity for a fulfilling educational experience at BGSU. Many student-athletes have earned academic honors, such as the 134 BGSU scholar-athletes with grade point averages of 3.0 or better in 1988-89. In just the last three years, 11 BGSU scholar-athletes have been named Academic All-Americans, an uncommon distinction among MAC schools.

A 1952 graduate of East Stroudsburg State College and holder of a master's degree from Temple University, Gregory came to Bowling Green from Yale, where he served for four years as associate athletic director.

Gregory began his professional career in 1952 as a teacher and coach at William Penn High School in New Castle, Delaware, and later at P.S. Dupont High School in Wilmington, Delaware. In 1959, he returned to East Stroudsburg as head football coach and assistant professor of physical education. One of the most successful coaches in the school's history, Gregory was inducted into the East Stroudsburg Athletic Hall of Fame in October, 1983.

Gregory was named assistant football coach at the U.S. Naval Academy, and, in 1967, he was named head football coach at Villanova University. In 1969, he moved to the University of Rhode Island, where he served as head football coach for seven years. In his 25 years on the high school level and at East Stroudsburg, Villanova and Rhode Island, Gregory's teams compiled a record of 132-69, including four undefeated seasons and seven league championships. He was twice selected as NAIA Coach of the Year, twice selected as Pennsylvania Coach of the Year and was named NCAA District Coach of the Year.

Gregory was lured away from coaching in 1976 by the Green Bay Packers of the National Football League and served in the personnel department for three years before moving to Yale.

Jack and his wife, Peg, reside in Bowling Green and are the parents of two sons and one granddaughter.

## Today's Halftime Show

### 1989 FALCON MARCHING BAND

Someone said "variety is the spice of life." Musically speaking, the BGSU Marching Band represents that philosophy. The music of the 50's, 60's, and 70's is in vogue as much now as ever before. Check your radio and television broadcasts. You can find, quite easily, stations whose format is focused on the "golden oldies." Today, the Falcon Marching Band presents a collage of musical sounds representing many years of musical history.

Starting first with the "blues", the Falcon Marching Band has its rendition of a standard jazz melody entitled, "Since I Fell for You." From a shuffle rhythm to a driving, straight-ahead beat, the band features its musical prowess in this selection.

After the blues, we move to "beach music". The year was 1963 and the performing group was the Sufari's. There isn't a drummer around who is not aware of their signature tune, "Wipeout!" We have four young drummers who we'll feature during today's selection. You might pay some attention to the flags and twirlers, as well.

Next on our musical smorgasbord is a tune recorded by Rita Coolidge in the late 70's, and popularized by many others. It has lately resurfaced in the movie "Ghostbusters II." The Falcon Marching Band is very pleased to welcome the BGSU Pommerettes to the field as they dance to "Higher and Higher — (Your Love Keeps Lifting Me)."

Closing today's program is a ballad whose primary melody is as current today as it was when it was first written. For the present generation, they will associate with Tom Cruise and the movie "Top Gun;" for those a little older, they will remember the Everly Brothers and "You've Lost That Lovin' Feeling!"

### ATHLETIC PROMOTIONS

by **BRAD BROWNING**  
Director, Marketing & Promotions

Hello everyone, and welcome to another big day of Falcon football at Perry Field.

Today's game with Central Michigan continues a very close series between the two schools. Bowling Green leads the series, 13-12, however Central Michigan won last year's meeting in Mt. Pleasant. The Chippewas were also the pre-season favorite to win the Mid-American Conference this year.

Today's game is Scout Day and Varsity BG Day. Scouts from throughout Northwest Ohio have been invited to the game, courtesy of the game sponsors Pepsi-Cola and the Varsity BG Club. We thank today's game sponsors for their involvement, and we extend our congratulations to today's Varsity BG Club honorees. . . Gold Letter Award Winner Cliff Conrad, Silver Letter Award Winner John Galyas, and Honorary Letterman Bob Dudley. We also want to welcome the members of the 1959 and 1964 BGSU football teams in attendance today. This marks the 30th and 25th anniversary of their championship seasons.

After today's game, we encourage everyone to join us at "Fall Fest '89. . . Memories of Woodstock," sponsored by the University Activities Organization. You can enjoy music, food, games and entertainment all in one place—the intramural fields west of Perry

Field. Featured bands include The Basics and Mercy Beats. The event will last until 9 p.m., so join in on the fun.

Next week's game with Akron will be a history making event at Perry Field. It marks the first night game in the 23-year history of the stadium. Kick-off is set for 7:30 p.m., so plan now to attend. BGSU students will be admitted with ID. Others may purchase tickets at the Memorial Hall Ticket Office (372-2762).

Don't forget that group discounts are available for all Falcon home football games. Just call me at 372-2401, and I will assist you in making plans to have your group join us at Perry Field for one or more of the remaining contests.

Thank you for your attendance at today's game. We hope you will enjoy the contest, and we hope to see you next week under the lights at Perry Field for the BG-Akron game.

## NCAA NOTES

**Q:** Who is an "athletic representative?"

- A:**
- One who has made financial contributions to the athletic department (i.e., Falcon Club members).
  - One who has been asked by the athletic department, in the past, to assist in recruiting student-athletes.
  - One who has assisted or is assisting in providing benefits, such as providing job opportunities, to enrolled student-athletes.
  - One who is or has been involved in promoting the athletic program.
  - One who is a member of any agency or organization which is promoting the institution's intercollegiate athletics program (Varsity BG Club, etc.).

**Q:** Once an individual has been identified as an "athletic representative," how long does he/she retain this identity?

**A:** Forever.

**Q:** Is Bowling Green State University responsible for the acts of athletic representatives and booster support groups?

**A:** Yes. Athletic representatives are governed by the same NCAA and University rules and regulations as those placed upon all institutional athletic staff members.

# NCAA Stands Firm On Athletic Representatives

Dictionary-makers agree on the definition of representative. However, of late, the word has been interpreted differently at many colleges and universities across the United States.

To ensure that confusion does not reign, especially in the matter of recruiting prospective student-athletes, the National Collegiate Athletic Association has set hard-and-fast rules for: 1. Who athletic representatives are, and, 2. What they can and cannot do.

In 1987, the NCAA banned athletic representatives (see box to left) from any in-

volvement in the recruiting of prospective student-athletes. That involvement includes on- or off-campus contacts by 1. personal visit, 2. correspondence, or 3. telephone calls.

Bluntly, the answer to all questions regarding the involvement of athletic representatives in the recruiting process is an unequivocal "NO."

The new legislation does not prohibit "unavoidable incidental" contacts with prospects, their parents or friends. The contact would be "legal" provided that: 1. it is not pre-arranged by the representative or a member of the athletic department, 2. it is not made for the purpose of recruitment, and, 3. it is in the course of "normal civility."

Bowling Green Intercollegiate Athletics urges all athletic representatives to comply with all NCAA regulations. If questions arise, please call the Bowling Green State University Athletic Department at (419) 372-2401.

## Ay Ziggy Zoomba

Bowling Green's unofficial fight song. (The official fight song is "Forward Falcons"). No one knows who wrote "Ay Ziggy Zoomba," but it became famous nationally when former Falcon All-American and Detroit Lion All-Pro halfback Mike Weger sang it in the film, "Paper Lion." The Falcon football team traditionally sings "Ay Ziggy Zoomba" after each victory.

## Why The Falcons?

The 1989 season marks the 62nd anniversary of Bowling Green's nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake '23 suggested the nickname, Falcons, after reading an article on falconry. Lake, managing editor and sports editor of the BG Sentinel-Tribune at the time, proposed the name change because it fit headline space and because falcons were "the most powerful bird for their size and often attacked birds two or three times their size."

## Why Orange and Brown?

Burnt Orange and Seal Brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a woman's hat on a bus trip to nearby Toledo, OH. He liked the brown and orange color combination. So, too, did former Cleveland Browns' Head Coach Paul Brown. Following a trip to the BGSU campus in the 1940s, Brown borrowed the colors for his All-America Football Conference teams. The Falcons and Browns still share their colors today.

## Retired Jersey

The only football jersey ever retired at Bowling Green is #29. It was worn by Paul Miles from 1971-73, when he rushed for 3,239 yards and 25 touchdowns. He was a three-time All-Mid-American Conference running back, gaining more than 1,000 yards in each of his three years on the varsity.

## Frieda & Freddie Falcon

Frieda Falcon and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU Cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and the winners remain anonymous to the student body until each is beheaded at the last home hockey and basketball games.

**ABOUT THE VARSITY BG CLUB**

The Varsity BG Club is an exclusive organization open only to former Bowling Green State University varsity letterwinners, who, for a non-tax deductible contribution of \$10 per year, can help operate the club and support BGSU athletics at the same time. Almost 500 former Falcon letterwinners were Varsity BG Club members last year. Again this year, the Varsity BG Club is offering a lifetime membership for \$100; no other dues will ever be required. Lifetime memberships for those 65 and older are only \$50.

The Varsity BG Club undertakes three major projects each year, the first of which is the spring Recognition Reception honoring the College Coach of the Year, the High School Coach of the Year, and the Special Recognition Award Winner. Then in July we will enjoy another Doyt Perry Golf Outing at the BGSU Forrest Creason Golf Course. Each fall, the annual Varsity BG Day festivities take place in conjunction with a Bowling Green football game. It's a great day to return to campus and visit with former classmates and teammates.

We are looking forward to another big year for the Varsity BG Club and Falcon athletics, and all we need from you is your participation.

**MEMBERSHIP BENEFITS**

All active members of the Varsity BG Club will receive:

- Membership in an exclusive organization open only to BGSU varsity letterwinners.
- A list of special activities and programs, such as the ones described above.

## DOYT L. PERRY FIELD

**Bowling Green holds the MAC record for single-game attendance (33,527).**

Doyt L. Perry Field, with its 30,000-plus seating capacity, is celebrating its 23rd year as the home of Bowling Green State University football.

Built in 1966 for approximately \$3 million as a replacement for the 43-year-old University Stadium, Perry Field had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Field holds the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Field for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out arch-rival Toledo at Perry Field in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,100, an average of 22,400.

Perry Field is more than just a football facility. The east side of the stadium includes dressing rooms, equipment and training rooms, along with the Athletic De-

partment offices. The west side received a face-lift two years ago. A physical fitness center/weight room opened its doors for all 19 intercollegiate athletic teams in the summer of 1988.

Also situated on the west side of Perry Field are the Falcon Club offices and clubhouse, the academic affairs office, the track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 10th year of operation, the

Stadium Club's 106 theater-type seats, which are all sold, provide loyal BGSU fans with a fine view of the game. The President's Box, located on top of the east side of the stadium, provides luxury seating for President Paul J. Olscamp and other supporters of Falcon football.

Bowling Green won the first game ever played in Perry Field, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won almost 65 percent of their home games, compiling a 72-39-3 record in the 114 games played at Perry

**BGSU students are among the most vocal fans in the MAC.**

Field. Over the last six seasons, Bowling Green is 23-6-1 at home for a .783 winning percentage.

A multi-purpose facility, Perry Field has also hosted concerts, NFL exhibition games, and major soccer tournaments.

Perry Field is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, according to James Van Valkenburg, director of statistics for the NCAA, only two coaches on the Division 1-A list are above that figure — Knute Rockne at .881 (Notre Dame) and Frank Leahy at .864 (Boston College and Notre Dame).

Perry, 79, is as popular as ever in Bowling Green. He spends his winters with wife Loretta in Florida. Each summer, he entertains his friends and former players at a golf outing.

Known for his well-organized practices and attention-to-detail meetings, Perry never stopped thinking of ways to succeed. He was a winner in football and as a high school basketball coach. His basketball teams were 161-35 over nine seasons and his high school track teams won 70 county titles in nine years.

# Icers Set To Open In Expanded Arena

by STEVE BARR

Assistant Sports Information Director

For the Bowling Green State University hockey team, one of the most successful in college hockey, the key word seems to be balance for the 1989-90 season.

With 16 letterwinners returning, including key performers at every position, the outlook for the fast-approaching season is for another successful year under head coach Jerry York, who is now in his 11th season and needs just 19 wins to reach 400 for his career.

"Our club is in a good frame of mind and we return some excellent personnel that will enable us to hopefully compete again for a top spot in the country," York said. "Our goals every year are the same — win our tournaments at Christmas and at Joe Louis, win our conference championship and earn a berth in the NCAA tournament."

Success is something Falcon hockey fans have grown accustomed to. The Falcons will be looking to earn a fourth straight trip to the NCAA tournament when they begin the season Oct. 13-14 at home against Northern Michigan, a national tournament participant last season. BGSU will also be skating for a ninth consecutive trip to Joe Louis Arena for the CCHA Finals, a claim only Michigan State can share.

In addition, already one of the most feared buildings in the country for the opposition, the BGSU Ice Arena, could become an even bigger "House of Horrors" with the addition of 1900 seats at the north end. The new horseshoe configuration will allow for even more of the best college hockey fans in the country to see the Falcons in action.

A roster that includes experience, five seniors and six juniors, and a nucleus of talented youngsters, eight sophomores and six freshmen, is dotted with a two-time Hobey Baker candidate that should lead a potent offense and possibly the top returning netminder in the Central Collegiate Hockey Association to lead a stingy defense.

A brief position-by-position look at the Falcons this season follows:

**GOALIES:** The belief in most sports is that defense wins championships. In hockey the defense starts from the goalie out and the Falcons have one of the best in the land in senior **Paul Connell**. A starter in each of the last two seasons, Connell completed his junior season, his best as a

An additional 1,900 seats are being added to the BGSU Ice Arena.

Falcon, with a 21-16-3 record and a 3.44 goals-against.

A three-way battle for the back-up spot will be waged during pre-season camp between juniors **John Burke** and **Christian Albitz** and freshman **Angelo Libertucci**. Burke has played in 10 games each of the last two seasons and is the most experienced of the trio.

**DEFENSEMEN:** Another reason for the optimism on the defensive side of the ice is the return of four players who were regulars last season when BGSU limited opponents to three goals or fewer in 21 of the final 30 games.

Senior **Kevin Dahl** will be a co-captain this season after missing all-league accolades last season by one vote. Also returning is junior **Rob Blake**, an All-CCHA selection last season, and sophomores **Otis Plageman** and **Derek Hopko**, who were regulars last season.

Both Dahl and Blake excel at playing both ends of the ice while Plageman began to show that characteristic toward the end of last season. Dahl was the top scoring defenseman last season with 35 points while Blake had 32 points.

Newcomers **Ken Klee**, **Paul Basic** and **A.J. Plaskey** will vye for the remaining two defensive spots in the lineup.

**FORWARDS:** The return of two-time Hobey Baker finalist **Nelson Emerson** and nine of the top 10 scorers from one year

ago should combine to make the Falcon offense dangerous as always.

Emerson, who is in line to become the BGSU career scoring leader (he needs 59 points) and with that move into a spot among the all-time 10 scorers in NCAA history, has not scored less than 61 points in any of his previous three seasons. He should be one of the premier players in the country this season.

Sophomores **Jim Solley** and **Martin Jiranek** along with freshman **Brett Harkins** are expected to center the other lines along with Emerson.

The right-wing spot will be manned by senior co-captain **Joe Quinn**, third on the team in scoring last season, senior **Marc Potvin**, second on the team last season with 23 goals, and sophomore **Peter Holmes**.

Other candidates at right-wing include sophomores **Ty Eigner** and freshman **Rick Mullins**.

The top returning left-winger, junior **Pier-rick Maia**, will be a question mark to begin the season as he is still recovering from a broken leg suffered in last year's first round CCHA playoff series against Michigan. Juniors **Matt Ruchty** and **Braden Shavchuck** along with sophomores **Dan Bylsma** and **Llew Ncwana** will have to pick up the slack until Maia gets back to full speed.
